

A.T. STILL UNIVERSITY ARIZONA SCHOOL OF DENTISTRY & ORAL HEALTH

AWARD: \$21,172

Contractor will increase the state's access and capacity to provide dental services to persons with developmental disabilities by developing a network of dentists trained in special needs care.

This project includes: a 16-hour clinical program to train 10 dentists on how to support persons with special needs, developing and distributing 250 printed guidebooks listing dental professionals available to provide specialized dentistry to persons with developmental disabilities, and exposing new dentists to special needs dentistry and oral health care to encourage future involvement.
